NEW PRESIDENT IN THE DRIVER'S SEAT

REPORT FROM JON HAACK

Hi Members,

A warm welcome to our four new members, Alby Lawrence and Lorraine Harris, along with Graham and Cynthia Brooks. It's great to have you join us, and I look forward to catching up with you all at upcoming runs and events.

A big shout out to Pat Clay and his subcommittee, club members and their friends that pitched in to make our Annual Hospice vehicle display fundraiser at Waterlea yet another success which raised just over \$10,000.00 for our local Hospice.

Our thanks also go to Mike Baker for bringing along his 'Star of the show' a very special classic 911 Porsche race car and his Porsche mates that gave us a wonderful line up of very cool Porsches.

With the current global uncertainty, particularly around fuel supply and pricing, we may need to remain flexible with some of our planned trips. At this stage, our calendar continues as scheduled and its very much business as usual, however please be aware that adjustments may be made if required.

Your committee has been hard at work organising a great mix of Sunday and weekend runs to a variety of destinations. In addition, our regular monthly Thursday runs in the Nelson area and Tuesday runs in the Marlborough area will continue, with details circulated as they are confirmed.

I'm also pleased to report that our new Club name and constitution are now finalised. This has involved a significant amount of work behind the scenes, and I'd like to extend a sincere thank you to the committee for their efforts - especially Bob and Ken for their dedication in bringing this to completion.

As they say in the classic car world - our cars may leak a little oil, but that's just them marking their territory!

That's about it for this week motorists.

Keep your wheels on the road and I look forward to seeing you all soon.

Cheers,

Jon

CLUB CAPTAINS REPORT from AGM

Thanks to Wayne and Pat Clay for organising an April Fools Tour for 2026. The Palmerston North based tour 3 years ago they organised is remembered fondly for its camaraderie and stunning exploration drives. Sadly only 6 cars enrolled so 2026 tour has been postponed. Unfortunately, it's still obvious that today's economic climate is affecting larger tours, big dinners and longer overnight drives. Please let your committee know what you would like to see as club activities or better still come forward and volunteer to organise one of our monthly trips to places or collections of interest that you are aware of.

With the present extremely unsettled situation in the world affecting petrol supply and petrol price your committee has decided to offer more regionally based trips so you can get out and enjoy your Classic without a large financial cost or mileage anxiety cloud hanging over your head. These plans are an interim measure and can change depending on updates to the growing world situation.

Pat Pascoes 2025 Geraldine/Rangiora tour attracted 20 cars and was an outstanding success. Geraldine museums, classic car restoration business then on to Rangiora to visit Daniel Smith's extensive car collection and the WW2 replica war birds at the private airstrip at Loeburn were mind blowing and places the public just don't get the opportunity to see.

Last December's Kekerengu trip is a positive example of what's popular today. 25 cars plus over 50 members visited the beautifully done Ward museum then Tania and Paul Dewhirst's zany garden and cliff top Ellerton cattle farm. Tania resembles an unexploded WW2 mine just waiting to explode with new projects from B&B accommodation to building their new home.

Nelson and Marlborough Tuesday or last Thursday runs have continued to prove worthwhile. it's great that members have come forward to volunteer to organise a monthly trip. Geoff Morris has already booked his Christmas lunch run for this year. Pip and John Grant have pencilled in another interesting run in September. This may take the format of a drive, coffee, picnic lunch, garden visit, shed visit or a place of interest. Contact Bob Jamieson or Jon Haack if you are willing to help.

What's in my shed reports have stagnated. Anne-Marie and I appeal to you for photos and a short explanation to help keep our newsletters interesting. Members report they really enjoy reading these and I know many of you have interesting projects lurking behind closed doors.

Sadly, age caught up with a couple of our members in 2025 that we lost through bereavements. Our condolences go out to those members for their loss.

The Vero Vintage Car Club 2026 National rally came to Nelson with over 560 vehicles from Monday 16th March - Saturday 21st March. They requested our help to help man the lunch handouts each day at VCC Clubrooms and Richmond A&P Showgrounds. Many thanks to the 20 members who volunteered. The VCC has made a donation to our club for \$2240. This donation will go toward rejuvenating our website to help keep members and intended members up to date on a simplified format. The Vero VCC Rally was a great way to get up close and personal to the wide range of vehicles attending and it's great to be able to help an allied club in our area.

RECENT EVENTS

NELSON THURSDAY RUNS:

There have been no runs!

BLENHEIM TUESDAY CRUISE DAY

13th January 2026 – Shelly Beach Picnic

Great day and weather for a top-less cruise especially for those of us that can't afford a roof.

18 or so gathered for pre-trip coffee and briefing before heading off to Shelly Beach, with a couple of nostalgia diversions along the way which took in Thomas Road and Victoria point look-out.

(Those were for a certain older couple that were once a young courting couple, but I can't say who that might be)

I was surprised to learn that some of the group had not been to Victoria point before.

The rest of us marvelled at what a fantastically beautiful playground we live in.

It was perfectly timed to watch the docking of the Blue-bridge as well.

We were also treated to a General Knowledge quiz by Gerardine (the want to be teacher of historical facts about Marlborough)

Did you know that the Marlborough sounds produce 80% of NZ's commercially grown sea food?

And that the Waikawa Marina is home to over 1100 berths! At around \$8000 per year rent that's not a shabby income!

And the Māori name for Queen Charlotte sounds is Totaranui! (Large or plentiful Totara)

For more wonderful facts contact..... Mrs Google 😊

Shelly beach where we had our picnic with its green grassed area didn't disappoint either.

You'll note in the photo that we had our member Harold arrive on his never seen by us before Classic Motoring two-wheeler. He told me it qualifies as a classic and possible a vintage because he got given it for his 5th birthday so he could ride to school.

It's has had a few modifications since then.

Larger wheels, lower handlebars and leather seat (ape hangers and banana seat went out of fashion apparently) It used to have trainer wheels but got removed when he started college or was that work? and is pleased to say he still has them because he's about to re-fit them as he tends to wobble a bit now days.
The carrier is also a modification as Noelene told me she refuses to ride on the handlebars anymore as Harold can't be trusted to keep his hands to himself, mind you he never could she said.
Now members don't give me grief I'm only repeating what I was told!

Cheers Jon

10th February 2026 – Whites Bay Picnic

Small crowd (7 cars, 10 people) to Whites Bay for picnic. Lovely day.

Dot

Tuesday Cruise-day 10th March

22 of us gathered for coffee at the Argosy Cafe in preparation for our flight on the real Argosy.

And what a great flight it was! I'm sure we all enjoyed the experience.

Captain Paul Davidson was the perfect host and pilot.

Paul saved this wonderful aircraft from going to the scrape yard some 30 years ago and has done a magnificent job of restoring her for the public to enjoy.

After the flight we had a look through Paul's recently opened museum capturing the history of the aircraft.

Following this we headed off to Moa Breweries where we were greeted with a smile, great service and a delicious selection of food and beverages.

All in all, a great day out.

Certainly beats the heck out of going to work!

Cheers Jon and Gerardine

WEEKEND RUNS

19th October 2025 – Garden & Museum Visits

Members attending met at Juliet and Neil McKinnons Garden in Colemans Road, which has in previous years been in Garden Marlborough. A very large, interesting garden with lots to look at and admire.

We then moved on to Gary and Sandra Mortimers for a picnic lunch and to check out what they've been up to in their garden. We were lucky enough to have a lovely sunny day, and everyone enjoyed a good catch up over lunch, we then headed off to the Omaka Classic Car Museum where members had free entry to all sheds, which we all enjoyed browsing through. Across the road for a coffee before heading home.

Cheers Gary

7th December 2025 - Run to Ward and Kekerengu

What an excellent day run on Sunday 7th December. If you didn't come you will regret the missed opportunity. We had 25 cars with over 50 members on stunning day with temperatures over 34 Degrees coupled with an afternoon of strong winds that made keeping Sylvia on task a session of anticipation of directional fortitude. Raupo couldn't handle the numbers, so it was straight off to the new Ward Museum. This is a credit to the community organisers and whilst not a museum to the havoc dealt to the area by all the earthquakes it is a beautifully done, professional presentation of early Ward and its inhabitants. There is heaps to see and read from World War 1 and 2 to farming and geography. A must visit with \$10 very well spent.

After lunch at Kekerengu store it was up the cliffs to Paul and Tania's cattle farm on Ellerton Rd. They are a lovely couple and Paul has to be as patient and understanding as Jude Glue as Tania is an unexploded bundle of artistic energy just getting stuck into projects from building a B&B bottle house, growing and selling Lavender oils, developing a massive hillside gardens, building and fitting out a beautiful new home complete with quirky deer antler chandeliers and recycled Rimu sarking ceilings whilst still helping on the stunning hill country farm. This was a visit not to be missed and many of you may have seen them on Country Calendar.

Club BBQ Picnic at Onamalutu

What a lovely day's outing enjoying each other's company and having a picnic lunch in the sun as promised. The day started a little cloudy, a little damp under foot with a bit of a puddle at the gateway of the Domain. Some drivers who did not want to get muddy water onto their car tyres parked before the gate. The photo above shows members enjoying the sunny day and having a chat. A good turnout of about 50 members with a good mix of cars. Many thanks to Pat, Chris and others for helping with BBQ etc.

Kevin Parkes

From the AGM at Rai Valley

The first 2 photos are of Ian Wooster who was our guest speaker who entertained our members with a humorous talk on his life. From being a teacher, police offer, worked for a Formula One Team in the UK, tour guide for the rich & famous in NZ and a motor racing driver for the last 50years. He presently races Suzuki Swift.

He's also been known to give golf lessons. A man of many talents.

Bob Jamieson

And

to our members who volunteered their time to help with the Vero Car International Rally.

Attached are some photos of our club members handing out prepackaged lunches to the participants of the Vero International Historic Motoring Festival. (564 vehicles were entered)

They did this from Monday to Friday (5 days) Pete Glue & Kevin Gear were in charge of picking up the hundreds of these lunches and delivering them to the distribution centre.

The range of vehicles was amazing.

Hello All Members

BOOKING SYSTEMS

Many Restaurants and Cafes are now insisting that bookings are confirmed some days prior to attending their establishment. Further they may well insist that even if you do not attend that the meal is to be paid for.

This has come about due to them having to order and have enough food for the numbers booked and also have enough staff on hand to provide the service.

They will often have to throw out unused food and pay stay even if people don't show.

On this basis the club, for many functions, may require you to:

1. Confirm your booking/attendance by a given date prior to the event.
2. If required, either pay a deposit or the full amount prior to the date specified.
3. If you decide to cancel after the given date, prior to the event, there will in all probability, be no refund.
4. If you decide after the given date, prior to the event, that you wish to attend then in all probability you will be excluded.
5. If you just show up to attend any function without confirming bookings/attendance then your participation will be at the discretion of the establishment we are attending. Please do not be offended if you are excluded.
6. If the club is subsidising the cost of the event and you do not attend without notifying the club by the given date, prior to the event then you may well be required to refund the club the subsidised amount. This is because the club will be having to pay for your participation in the event even though you do not attend and this results in a direct loss to the club and its members.

When required please ensure your payment is made to the **CORRECT** account specified.

GENERAL ACCOUNT – 12-3165-0158467-00

TOUR ACCOUNT – 12-3165-0158467-01

Also please ensure that on the Payee details your:

1. Your surname and initials are entered in the Particulars column
2. The event name or code is entered in the Reference column
